INVITATION

Dear Colleagues and Friends

The Department of Pathology, SGPGIMS, Lucknow, is pleased to invite you to the "UP CYTOCON-2017" to be held from 16th – 17th September, 2017. The academic programme in this Cytology conference aims to develop basic understanding of cytopathology with the emphasis on ancillary techniques (cellblocks, immunocytochemistry and fluorescence in situ hybridization). This conference will benefit postgraduates, senior residents and practising pathologists in cytopathology with interest in interventional cytology and molecular cytopathology.

We have invited eminent speakers of national and international repute to enrich this academic meet. The scientific programme will include dedicated sessions on cervical cancer screening and strategies, endoscopic FNA (EUS) and EBUS-TBNA, liquid-based cytology and cytology of soft tissue tumors with ancillary techniques in cytology. We look forward to welcome you in the city of Nawabs known for its legendary hospitality, leisurely moods of life and world renowned cuisine! Your kind presence and active participation will go a long way in making this event a grand success.

Best wishes,

Organizing Chairperson

Organizing Secretary
