# IMMUNO-HISTOTECH 2018

Dear Colleagues,

The Department of Pathology, Tata Memorial Hospital, Mumbai, is pleased to announce our annual CME on “**IMMUNO-HISTOTECH 2018**” which is scheduled to be held from 23<sup>rd</sup> to 25<sup>th</sup> November 2018.

We aim at discussing the basic processes and problems in **Histotechniques** and **Immunohistochemistry** (Techniques and interpretation - for technologists and pathologists). The program will appeal to the novice and trained equally. Based on target audience, we have split the program into three days: -

**The three-day course will include:**

**Day 1 (23<sup>rd</sup> November 2018- Friday):**

**Histotechniques**

**Maximum 60 participants (Technologists + Pathologists)**

**Day 2 (24<sup>th</sup> November 2018- Saturday):**

**Immunohistochemistry (IHC) techniques**

**Maximum 50 participants (Technologists + Pathologists)**

**Day 3 (25<sup>th</sup> November 2018- Sunday):**

**Immunohistochemistry Interpretation**

**Maximum 300 delegates (Pathologists only)**

Looking forward to your participation

**Patron,**

Dr. R. A. Badwe
