*Dear Colleague,*

*“Knowledge is a burden, if it is not integrated into your life. Knowledge is a burden, if it gives you an idea that you are wise.”*

*With immense pleasure we welcome you to the CME on "Updates in Pathology" which aims at refreshing your knowledge in varying fields of Pathology. We have experts in this field who will guide us and clear our queries with their vast experience. This educational programme is oriented towards practicing pathologists, clinicians and post graduates.*

*We sincerely hope that you would join us to be a part of this rejuvenating CME and make this event fruitful.*

*With warm regards
