Salivary Gland Tumors - An Update National Pathology CME

Organised by

Department of Pathology
Father Muller Medical College
& SK unit KCIAPM, Mangaluru

Venue: Decennial Hall, FMFC

Date: 13th October 2018

Dearfriends,
Salivary gland tumors though rare can pose diagnostic challenges due to their diverse histopathology and varied clinical presentations. With the new WHO classification and Milan system of reporting, there is a need to update ourselves. Therefore, Department of Pathology, Father Muller Medical College, Mangaluru, along with SK unit of KCIAPM invite you all with immense pleasure to attend a National CME on "Salivary gland tumors - An update". The CME is on Saturday, the 13th of October, 2018. Kindly mark the date in your calendars and join us in Mangaluru, a coastal city in Karnataka with a unique amalgamation of nature and man-made wonders.

Yours sincerely,
The Organizing Committee.
