

Invitation:

Under the auspices of **Asia-Pacific Musculoskeletal Tumor Society (APMSTS) meeting, jointly hosted by APMSTS and Indian Musculoskeletal Oncology Society** in the 'pink' city Jaipur, from 4th-7th October, we invite the delegates for a **stimulating Ortho-Radio-Patho (ORP) interactive meeting on 4th October 2018**, a full-day session that will focus upon the value of Imaging correlation with histopathological findings in Orthopedic Oncology in a "Case-based" approach.

The delegates are also strongly encouraged to actively participate, preferably as an ORP group, by submitting one or more of their cases related to Orthopaedic Oncology for discussion.

Best 5 cases will be selected for a presentation and the best among those will be awarded.

Guidelines for case submission are available at the conference website : www.apmsts2018.com, in the section Scientific program, Preconference workshop <http://apmsts2018.com/imsos-pre-conference-workshop/>

Special single day registration of Rs 1500 for pathologists and radiologists!

Eminent National and International faculty .

Includes entry to the Welcome reception .

Stay can be arranged at a very affordable rate !

So, hurry up! Share your exciting case, register for this workshop and be a part of this unique

Event at www.apmsts2018.com
