Dear Postgraduates,

The second edition of PATH PARRC (PATHology Postgraduate Annual Rapid Review Course) is to be conducted from 17th – 22nd December, 2018 at Department of Pathology, Sree Balaji Medical College and Hospital, Chrompet, Chennai.

This course provides an abridged, exam oriented version of pathology to the postgraduates and facilitate their smooth sailing in university exams.

This year we have invited a foreign faculty, Dr. Sara Edward, UK to give slide seminar on skin and soft tissue. In addition, eminent and experienced faculties from all over India are participating to enrich your knowledge.

Attending this program will not only benefit you to pass your exams, but also to practice pathology in a better way after completion of your course.

Looking forward to meet you all in person.

Regards,

Organizing Secretary
