

Post Doctoral Certificate Course (PDCC) Oncopathology

The need for trained pathologists in the field of Oncopathology has become paramount with the alarming increase of cancer burden in the country in the era of Personalized Medicine. Basavatarakam Indo American Cancer Hospital & Research Institute takes another step in addressing this aspect of Cancer Care. We are pleased to introduce Post Doctoral Certificate Course PDCC (Oncopathology), a one year programme under the auspices of Indian College of Pathologists (ICP). The program intends to deliver practical knowledge about a systematic approach to the diagnosis of cancer, handling precious cancer tissue and reporting of cancers in a structured way so as to address the needs of the oncologists to institute optimum therapy.
