

## **The 6th South Asian Academy of Cytopathology & Histopathology- 2018**

Dear friends,

It gives me immense pleasure and joy to share " The 6<sup>th</sup> SouthAsian Academy of Cytopathology & Histopathology- 2018" (SACH -2018)which has embarked for the first time in India to one of favourite tourist destinations in Eastern India, Ranchi , Jharkhand, India.

The Conference will be held in Department of Pathology, Rajendra Institute of Medical Sciences (RIMS), Ranchi. The Organising Chairperson is Dr Ramesh Kumar Shrivastava, Prof and HOD of Pathology,Dean of RIMS , Dean Faculty of Medicine, Ranchi University, Ranchi, Jharkhand.

It is my pleasure and privilege to extend a warm welcome to all delegates and participants from SAARC countries to the beautiful city amidst natural beauties of forest and waterfalls.

The International mega event will be held for three days from 19<sup>th</sup> to 21st January, 2018.

On 19th January there will Pre-Conference CME on "Lesions of Thyroid ' to followed by Inauguration and Inaugural dinner.

The organizing team is bubbling with joy and excitement which gives me confidence that the Conference will win the minds and hearts of SAARC delegates. This platform is a bliss to share and exchange the progress and advancement of Cytopathology and Histopathology not only in morhology but also in molecular diagnosis, proteomics and genomics.

A comprehensive scientific program through a galaxy of faculties who are stalwarts in their respective fields is expected to be unfolded. There are two Orations and Diagnostic Slide Seminar.

It is my fervent hope that you will enjoy this Conference both academically and socially and return nourished making new friends with people of Jharkhand. I am sure it will be a memorable event in history of SACH.

I look forward to your gracious presence in this Conference. With the intent of building a long standing collaboration of pathologists of Jharkhand with SAARC countries, let us unite under the umbrella of SACH to make this academy relevant , dynamic, contemporary and progressive.
