

Dear Colleagues and Friends,

Greetings to all....

We welcome you for the three day academic feast covering essential areas of Pathology including skin, soft tissues, Genitourinary and lymphoreticular system. Current classification and an overall view of different ancillary techniques will be reviewed. New and rare entities will be described. Case based discussion aimed at providing surgical pathologist with "up to date" information and novel tools for the study of biopsies in routine practice.

Highlights:

- Interactive lectures by renowned faculties from MD Anderson Cancer Centre, Texas.
- Slide seminars conducted by experienced faculties

**Poster/Oral presentations
Guidelines for submission**

Presenting authors must be registered for the conference. A delegate is restricted to one oral paper or a poster. First author should be the presenter. Maximum words should be limited to 250 words. Abstracts should be structured as: Objectives, methods, results, conclusion and key words.

All abstracts will be peer reviewed and the scientific review committee reserves the right to assign it as oral or poster presentation. Presenters will be informed by mail regarding the type of acceptance. Last date for submission of abstract is 15-06-2018. Abstracts can be sent to srupathcon@gmail.com.

Oral presentations must be compatible with Microsoft office 2007 or later in ppt format. Time limit is 5min for the presentation and 2 min for discussion.

Available space for poster : 4 feet (vertical) x 3feet (horizontal)
