ORGANIZING TEAM'S MESSAGE

The Forum of Practicing Pathologists (FOPP) India is an umbrella body of all the various associations related to Pathology practice in India. The Forum aims to be Voice of the Indian pathologist and also create a platform where all the stakeholders involved in the Practice of Pathology can interact, co-operate and grow together.

The Forum has decided that the must visit dates to be marked in the academic calendar of all Pathologists should be the annual conference. This year, the Practicing Pathologists Society of Rajasthan, an affiliated body of the FOPP is organizing the first conference.

The theme for this year's conference is **Pathologists for Patient Care** and this gives you as a delegate a chance to showcase your contribution in patient care. The Forum has a pan-India representation and so will have participants from all over the country. The speakers will be of national and international repute and all the attendees will be decision makers in their laboratories.

HIGHLIGHTS OF THE CONFERENCE

- Eminent and renowned Faculty of National and International repute will grace this conference.
- More than 500 delegates with pan India distribution expected to attend along with faculty.
- Dedicated Clinico-pathological Correlation panel discussions
- Discussion of contemporary topics related to academics, legal and financial aspects of pathology.
- Delegates will have ample time to interact, discover newer techniques and products in laboratory medicine.
- Attendees are decision makers in their laboratories.
