Nearest Airports
Belagavi 130 km
Hubballi 134 km
Goa 250 km

Well connected by road and rail from Bengaluru & Mangaluru
Warm greetings from the Department of Pathology, S Nijalingappa Medical College, Bagalkot. We take immense pleasure in welcoming you all for KAPCON 2019, the 46th Annual Conference of Indian Association of Pathologists and Microbiologists, Karnataka Chapter.

Bagalkot, as the name suggests, it is indeed a “DOORWAY TO THE WORLD OF KNOWLEDGE”. Situated on the banks of Ghataprabha, it is surrounded by the world-famous places like Ahole, Pattadakal, Badami, Alampati, and Kudalsangam.

Shri Basaveshwara Veerashaiva Vishvavidyalaya Sangha was founded by his Holiness, Shri Gurubasava Mahaswamiji of Bilur, a visionary far ahead of his times, in the year 1906. At present, the sangha has a network of 109 educational institutions from creche to postgraduate/research levels, spread over the districts of Bagalkot, Belagavi, and Bengaluru in Karnataka state. B V V Sangha has worked relentlessly for over a hundred years to make the presence of Bagalkot felt to the rest of the nation and the world.

To the crown in its endeavour, B V V Sangha started S. Nijalingappa Medical College in the year 2002. Spread over a span of 114 acres, college has one of the best infrastructure and beautiful green campus.

On behalf of the organizing committee, we assure that you will enjoy the academic feast by renowned national faculty in the field of pathology and hospitality of organizing committee. We are looking forward for your active participation in the conference and making it a grand success.
