

# UPDATE IN PERITONEAL SURFACE MALIGNANCIES

25<sup>th</sup> and 26<sup>th</sup> February

2019

ॐ BHAGWAN ADINATH JAIN COMPLEX ॐ

## PATHOLOGY

### BREAKAWAY SESSION FOR PATHOLOGISTS

“Pseudomyxoma peritonei and appendicular neoplasia:  
a practical approach to histological diagnosis”

25<sup>th</sup> February 2018

10:00 am to 1:00 pm

Venue: Hotel Green Park, Chennai

Organised by: Dept. of Surgical Oncology & Dept. of Oncopathology  
Cancer Institute (WIA), Chennai

# INTRODUCTION

Dear Colleagues

Currently there is a lack of consensus in the pathologists' approach towards the diagnosis and classification of pseudomyxoma peritonei and appendiceal neoplasia. As a part of the Update in Peritoneal Malignancies, a half-day workshop has been planned for pathologists on the 25th of February, 2019. This will include lectures and live demonstration of slides highlighting the nuances and challenges faced in the diagnosis and grading of these neoplasms with a goal towards adapting a uniform and standardized method of reporting by pathologists.

The workshop will be led by Dr. Norman Carr, an authority in this field.

Regards

Head of Dept Oncopathology  
**Dr.Shirley Sundersingh**

Organising Chairman  
**Dr.Hemanth Raj E**

Organising Secretary  
**Dr.Ramakrishnan A S**

## Program: Hall 2

PATHOLOGY		Pseudomyxoma peritonei and appendicular neoplasia: a practical approach to histological diagnosis Interactive session with live slide discussions Highlights: <ul style="list-style-type: none"><li>• Recent histological classification of appendicular neoplasia and pseudomyxoma peritonei</li><li>• Grading of pseudomyxoma peritonei</li><li>• Differential diagnosis of LAMN</li></ul>
10:00 AM	1:00 PM	
1:00 PM	2:00 PM	Lunch

## INTERNATIONAL FACULTY

### DR. NORMAN CARR

Consultant Pathologist & Director of Research  
Peritoneal Malignancy Institute, Basingstoke

Norman John Carr is currently Director of Research and Consultant Histopathologist at the Peritoneal Malignancy Institute, Basingstoke, a Visiting Fellow at the University of Southampton, and an Honorary Consultant Histopathologist at University Hospital Southampton, UK. A specialist in gastrointestinal pathology, he has published over 70 papers in the peer-reviewed literature and written two text books for undergraduate medical students as well as several book chapters. He contributed to the 3rd and 4th editions of the World Health Organization Classification of Tumours of the Digestive System. As a member of the UICC TNM Expert Panel on Gastrointestinal Cancer, he reviews publications potentially relevant to TNM staging. He led a recent consensus process on the classification of these lesions under the auspices of the Peritoneal Surface Oncology Group International (PSOGI).
