The skin, despite being the largest sensory organ and largest endocrine organ of the body, is one of the most neglected and ill-understood parts of the body when it comes to biopsy interpretation and reporting. This is mainly because of poor exposure of trainees to a variety of lesions needed for a sound understanding of dermatopathology.

The Calcutta Association of Practicing Pathologists (CAPP) has, as part of its regular academic activities, taken the initiative to fill in a long-standing vacuum in order to help young and not so young pathologists and dermatologists get adequate exposure in dermatopathology.

In order to fulfill this need, CAPP has joined hands with DSI (Dermatopathology Society of India) to organize a Dermatopathology Workshop and CME on 14th and 15th March, 2020 at ITC Royal Bengal. National stalwarts in Dermatopathology like Dr M Ramam, Professor Dermatology, AIIMS; Founder Secretary & current President of DSI, Dr Sujay Khandpur, Professor Dermatology, AIIMS, Current Hon.Secretary & Former Editor of Indian Journal of Dermatopathology & Diagnostic Dermatology(IJDPPD), Dr Gopinath Nanda Kumar, Professor Pathology, Government Medical College, Trivandrum -only one in India who is MD in both Dermatology & Pathology, erstwhile Quiz Master of very popular online Dermatopathology Quiz of DSI and our own Dr Subhra Dhar, Senior Consultant Pathologist, in SRL Reference Lab, Kolkata, East Zonal Coordinator, DSI & Editorial Board Member of IJDPPD will be faculties in the CME.

These experts will teach how to do clinico-pathologic correlation. There will be a microscopy workshop with interesting slides in the morning, especially for PGTs and budding dermatopathologists with a maximum of 40 participants on a first come first served basis. The rest of the participants will be shown scanned images of those slides. So please hurry and register.

Academic program will comprise the following:
1. Lectures based on important topics in dermatopathology like inflammatory, infective & neoplastic dermatoses
2. Discussion of slides that will be shown in the workshop
3. Panel discussion with special emphasis on Clinico-Pathological Correlation
4. Poster presentation by PGTs

ORGANISING TEAM

Chief Patron: Dr Subir Kumar Dutta
Patrons: Dr Sabitri Sanyal, Dr Padma Lahiri, Dr D K Mitra, Dr Mala Banerjee, Dr Rajat Mukherjee, Dr (Col) Deepak Kr Mishra
Advisors: Dr Pradip Kumar Mitra, Dr Tapan Kr Ghosh, Dr Susrut Sen, Dr Debes Ray
Chief Scientific Advisor: Prof M Ramam, AIIMS, New Delhi
Organising Chairpersons: Dr Shravasti Roy, Dr Jyothi Chowdhury
Organising Secretary: Dr Subhra Dhar
Joint Organising Secretaries: Dr Abhik Bannerjee, Dr Sanghamitra Mukherjee, Dr Sukanta Chakraborty
Treasurer: Dr Bhaskar Narayan Chaudhuri
Academic Committee: Dr Anuradha Ghosh, Dr Palash Kr Mandal, Dr Divya Midha, Dr Barnik Choudhury, Dr Sudipta Bhattacharya, Dr Atoshi Basu, Dr Sugat Sanyal, Dr Bhaskar Narayan Chaudhuri
