CHAIRPERSON
DR. ASHA AGARWAL
Professor, Pathology
Regency Hospital Ltd.

ORGANIZING SECRETARY
DR. ANJALI TIWARI
Director, Lab Sciences
Regency Hospital

DR. DEEPTI GUPTA
Consultant Pathologist
Regency Hospital

Venue: Hotel Royal Cliff, Swaroop Nagar, Kanpur
Greetings from Department of Pathology, Regency Hospital Ltd.

Skin is one of the most neglected and ill-understood parts of the body when it comes to biopsy interpretation and reporting. This is mainly because of poor exposure of trainees to a variety of lesions needed for a sound understanding of dermatopathology. Skin Lesions are complex diseases requiring a holistic and multi-disciplinary approach. Close co-ordination of pathologists and dermatologists is essential. This one day scientific session aims at achieving a deeper understanding of skin lesions. Pathologists, Dermatologists, and MD/DMN students of these specialities are welcome to participate in this knowledge exchange.

### INVITED FACULTY
