CYTOPATHOLOGY OF LUNG

“-Morphology to Molecular”

(KUHS Update series)

Dear colleagues and residents,

Greetings from the Department of Pathology,
Government Medical College, Kottayam

We are delighted to announce that our department is organizing the annual one day CME series on Cytopathology, C-Kon, following the success of the B-Kon series centred on hematopathology. This year, we are focusing on “Cytopathology of the Lung,” various aspects being addressed by distinguished faculty of national and international repute.

We are extremely pleased to invite you for the academic fiesta. We eagerly await your valuable presence and look forward to making your participation a beneficial one

Objectives of CME :-

1. To simplify diagnostic cytopathology of lung for residents and practising pathologists.
2. Emphasis on molecular cytopathology of lung.
3. Problem based case discussion.
4. Quiz for post graduate students on cytopathology of lung.
