**Venue:
Auditorium, GB Pant Hospital, New Delhi**

Liver Pathology CME
A confluence of clinics and pathology

January 27-29, 2012

Organised by

Department of Pathology,
GB Pant Hospital, New Delhi

Venue : Auditorium, GB Pant Hospital, New Delhi

Invitation

Dear Sir/Madam,

Liver biopsy remains the gold standard for diagnosis and assessment of most liver diseases. There have been significant advances in our understanding and clinical approach to liver diseases. Recent molecular genetics, pathologic, and clinical data have guided these advances. This conference will attempt to guide you through the current state and future direction of hepatopathology.

There will be comprehensive coverage of the etiology, mechanisms of disease, diagnosis, and practical management of the entire spectrum of liver and biliary disorders. With extensive **clinico-pathological correlation studies, and case-capsule discussions**, it should also afford an excellent, evidence-based review of the rapidly expanding field of hepatobiliary diseases.

CHIEF PATRONS

Dr AK Aggarwal

Dean, Maulana Azad Medical College

Dr Veena Chowdhury

Director, G B Pant Hospital

ORGANISING CHAIR PERSON

Dr Ranjana Gondal

Director Professor & Head,

Dept. of Pathology, GB Pant Hospital

27th January 2012
*** Pre Conference Workshop**

ORGANISING COMMITTEE

Dr AS Puri

Dr RK Saran
