1st National Conference on Primary Immunodeficiency Diseases

10th & 11th March, 2012.

At

The Postgraduate Institute of Medical Education
and Research, Chandigarh, India.

Venue: Lecture Theatre 1, Nehru Hospital

Organized by

The Indian Society for Primary Immune Deficiency
(ISPID), and

The Foundation for Primary Immunodeficiency
Diseases (FPID), USA.

ISPID
Indian Society for Primary Immune Deficiency

FPID
Foundation for Primary Immunodeficiency Diseases

Welcome note

Primary Immunodeficiency Disorders (PIDs) have been grossly under recognized and under diagnosed for a very long time in our country. To promote awareness among the medical fraternity for early diagnosis and treatment of these disorders, the **Indian Society for Primary Immune Deficiency (ISPID)** was formed with a mandate to serve as advocates for patients with primary immune deficiency disorders and help their families with reference to attainment of optimal physical, and social health and to encourage and advance the knowledge, study and practice of the science of primary immune deficiencies in all possible ways.

The 1st National Conference on Primary Immunodeficiency Disorders is being organized on 10th & 11th of March 2012 at the Postgraduate Institute of Medical Education and Research, Chandigarh under the aegis of ISPID in collaboration with the Foundation of Primary Immunodeficiency Diseases (FPID), USA, wherein a number of international and national experts in the field of PIDs will be deliberating on various aspects of the PI diseases. The meeting will be immensely beneficial to people working in the private sector as well as academic institutes and resident doctors of pediatrics, internal medicine and pathology.

Delegates can send their registration queries and abstracts to the conference secretariat or email at pidcon2012@gmail.com or visit us at www.pidcon2012.com

On behalf of the organizing committee, I invite you all to Chandigarh, the City beautiful and share this opportunity with us.

Warm regards,

(Dr. Biman Saikia)
Organizing Secretary

Scientific Program
